WILL  
IT CURE  
ME?

That's the personal question a woman asks herself when she reads of the cures of womanly diseases by the use of Dr. Pierce's Favorite Prescription.

Why shouldn't it cure her? Is it a complicated case? Thousands of such cases have been cured by "Favorite Prescription." Is it a condition which local doctors have declared incurable? Among the hundreds of thousands of sick women cured by the use of Dr. Pierce's Favorite Prescription there are a great many who were pronounced incurable by local doctors. Wonders have been worked by "Favorite Prescription" in the cure of irregularity, weakening drains, inflammation, ulceration and female weakness. It always helps. It almost always cures.

"I commenced taking your medicine, 'Favorite Prescription,' nearly a year ago for chronic inflammation of womb, and can truly say it is the only thing that ever did me any good," writes Mrs. L. C. Wagner, of 125 Edwin Street, Toronto, Ontario, Canada. "I could not walk any distance before using it. After taking six bottles of your 'Favorite Prescription' I find I can walk without difficulty and am greatly benefited in general health. Would advise all suffering women to use Dr. Pierce's medicine."

These are the Original Little Liver Pills, first put out over 40 years ago, by Dr. R. V. Pierce. They have been much imitated but never equalled. Smallest, easiest to take and best. They're tiny, sugar-coated, anti-bilious granules, a compound of refined and concentrated vegetable extracts. Without disturbance or trouble, constipation, indigestion, bilious attacks, sick and bilious headaches, and all derangements of the liver, stomach, and bowels are prevented, relieved, and cured. Permanently cured, too. By their mild and natural action, these little Pills gently lead the system into natural ways again. Their influence lasts.

## A WOMAN TO BE PRETTY

Must Have Luxuriant and Glossy Hair, No Matter What Color.

The finest contour of a female face, the sweetest smile of a female mouth, loses something if the hair is crowned with scant hair. Scant and falling hair, it is now known, is caused by a parasite that burrows into the scalp to the root of the hair, where it saps the vitality. The parasite is called dandruff. To cure dandruff permanently, then, and to stop falling hair, that germ must be killed. Newbro's Herpelide, an entirely new result of the chemical laboratory, destroys the dandruff germ, and, of course, stops the falling hair, and prevents baldness. Sold by leading druggists. Send 10c. in stamps for sample to The Herpelide Co., Detroit, Mich.

E. S. Leadbeater & Sons, Special Agents.

## Two Dyspeptics

If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean the fat-producing foods that you eat are not properly digested and assimilated. Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatic.

## Kodol Dyspepsia Cure

contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant, but it is a reconstructive, tissue building tonic as well. Cures Indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

## Digests What You Eat

Rests the stomach, rebuilds the tissues and gives firm flesh.

## CHINESE BOYCOTT.

A dispatch from Peking says that the question of Chinese exclusion from the United States continues chiefly to occupy the attention of the Chinese. The extent and depth of the feeling manifested astonishes foreigners, and is regarded as the evidence of the growth of the national sentiment or public spirit which five years ago would have been inconceivable.

Among many instances cited as evidence of this, it is said that a Chinese comprador has refused lucrative appointment with an American company. Advertisements of American goods continue to be refused by the native newspapers, and letters and telegrams from all parts of China, as well as from abroad, are being received urging the central government to take a firm stand.

The chief obstacle is the question of coolies from Hawaii and the Philippines. It is urged that there is no reasonable objection to the landing of coolies in Hawaii, where they did not compete with American labor, while Chinese immigration has long been established in the Philippines.

These points the Chinese regard as essential, but it is thought unlikely that they will be conceded by the American government, hence the apparent deadlock. With a view of facilitating a settlement China on Monday proposed to send a special mission to Washington, but American Minister Rockhill declined to entertain the idea. The Chinese deplore the risking of American good will, but claim to have genuine legitimate grievances.

In the meantime the boycott of goods from the United States continues, and the anti-American campaign is increasing in vigor. The American Minister has applied to the board of foreign affairs to check the movement, and Vice-roy Yuen, of Chili province, has issued a proclamation on the subject, but its efficacy is considered doubtful.

## Killed by Lightning.

Clarence R. Moore, one of the best known citizens of Crisfield, Md., was killed by lightning Monday night. Mr. Moore was on his way to his home in the suburbs, when overtaken by the rain. He stopped at the store of Mr. George C. Lawson, which is within about 100 yards of his home. He had been in the porch of the store about 5 minutes and was conversing with a number of friends when lightning struck a telephone wire which hung near the porch, and the lightning was drawn by Mr. Moore's bicycle. The wheel was charged with electricity, and as Mr. Moore was leaning thereon he was immediately killed by the shock. He was removed to his home, and though skilled medical assistance was summoned it was found impossible to revive him. The same bolt of lightning which killed Mr. Moore struck the residence of Mr. L. C. Nelson, tearing a hole in the wall where the telephone hung. Fortunately neither Mr. Nelson nor any of his family was at home. Several other houses were struck, but little damage was done.

## They Died Together.

Rather than be separated for months, Henry Eichenrodt, bandmaster on the United States battleship, Alabama, and his young wife died together yesterday at Paterson, N. J., under tragic circumstances. The couple were married eight months ago. Mrs. Eichenrodt was 26 years old and her husband 35 years. She frequently told her relatives and friends that she was exceedingly happy with her husband. He had been away for a few days at a time, but recently he received orders to join his ship for a long cruise. Yesterday afternoon a number of friends and relatives gathered at the home of Mrs. Eichenrodt, mother of the bandmaster's wife, to bid them farewell. Both Mr. and Mrs. Eichenrodt seemed to enjoy the festivities, but toward the close, after the guests had begun to depart, they were found lying on a bed. The man was dead and the woman died before a physician arrived. Death was due to carbolic acid and illuminating gas.

## Tragic End of a Trained Nurse.

Relatives of Miss Annie L. Elmore, who died at the Garfield Hospital in Washington Monday night, arrived there yesterday and claimed the body, which will be sent to Dranesville, Fairfax county, the former home of the young woman, for interment. There will be no inquest, Coroner Nevitt having issued a certificate of death from an illegal operation, in which, however, no one but the young woman was implicated. Miss Elmore was about thirty-five years of age, and was a trained nurse. She became ill last week while at a house on Fifteenth street northwest. Yesterday the body of a child was found in a trunk in Miss Elmore's room at 1237 H street northwest. The young woman was to have been married yesterday at Colvin Run, Va., to Henry Johnson, a farmer. Mr. Johnson arrived in Washington yesterday, only to learn that his intended bride was dead and that her body, together with that of her infant, was at the morgue.

## Torture of a Preacher.

The story of the torture of Rev. O. D. Moore, pastor of the Baptist church, of Harpersville, N. Y., will interest you. He suffered agonies, because of a persistent cough, resulting from the grip. I had sent sitting up in bed. I tried many remedies, without relief, until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which entirely cured my cough, and saved me from consumption. A grand cure for diseased conditions of Throat and Lungs. At E. S. Leadbeater & Sons, druggists; price 50c and \$1.00, guaranteed. Trial bottle free.

Death of Bank Robber. "Big Frank" McCoy, bank robber and partner of the late "Jimmy" Hope, of Manhattan Bank robbery fame, died at the Metropolitan Hospital on Blackwells Island New York yesterday afternoon of a complication of diseases. McCoy had been penniless and almost without friends for years. He was taken to Bellevue Hospital on June 18 from a Third Avenue saloon in a dying condition. On Wednesday last he was removed from Bellevue to the Metropolitan to die. The fact that he was going to the island seemed to have a depressing effect on the former burglar, and he drew an object lesson from his fate for young men. "If I only had my life to live over again," said McCoy, "I would not end it in this way."
